

# 2024 DNA LEARNING CENTER SUMMER CAMPS

Residential Summer Camps at the DNA Learning Center are designed for **students with an interest in science**, no previous experience required. Programs include **hands-on molecular biology experiments** to learn about the expanding field of **genetics**, as well as experiencing **Notre Dame**. **Register now!**

**COMPLETING  
7th - 8th GRADE  
JUNE 16 - 21**

**COMPLETING  
9th - 10th GRADE  
JUNE 23 - 28**

**COMPLETING  
7th - 10th GRADE  
JULY 7 - 12**

### LAB EXPERIMENTS INCLUDE:

- Genotyping
- Plant Barcoding
- Ancestry Sequencing
- GMO Food Detection
- And Much More!

### \$1495 TUITION INCLUDES:

- Housing in ND dorms
- All meals and snacks
- All lab and material fees
- Non-lab and evening activities
- T-shirt and water bottle

### OTHER ACTIVITIES MAY INCLUDE:

- Stadium tour
- Campus scavenger hunt
- Games and social time with ND Camp Counselors
- Basilica tour
- And other ND fun!

This activity is not sponsored or endorsed by the School District of La Crosse and is not printed at District Expense

\*Limited needs-based financial assistance available. Please inquire prior to registration.

### Can't make it out to Notre Dame?

### VIRTUAL CAMP: GENE EXPRESSION

Completing Grades 9 and up

**JULY 22 - 24, 1-3 pm ET**

Priced at **\$225**, this program is entirely remote but allows for interaction with other students, ND Faculty, and ND Students. It offers an interactive experience with hands-on scientific research projects centered around gene expression.
